Remarks

It is now realized that this application inadvertently was filed without a copy of Figure 1 being submitted. However, at page 1, lines 3-5, the entire disclosure of Parent Application, Serial No. 09/511783, filed February 23, 2000, is incorporated by reference into the Application. The Parent Application was filed with a copy of Figure 1. Thus, the incorporation by reference of the Figure means that the formal submission of a copy of the Figure is not new matter since by reference it was always a part of the Application. The undersigned verifies that the accompanying copy of Figure 1 is identical to Figure 1 filed in Parent Application 09/511783. Clearly no new matter is being added by this amendment.
